CAPABILITY STATEMENT

## COMPANY OVERVIEW

Cornerstone Industrial Services is a Gulf Coast leader in providing fully integrated service solutions. Founded in 2015 by Terry Chauvin, providing Advanced Ultrasonics solutions in lieu of Industrial Radiography to its customers. Over time, Cornerstone Inspection has evolved into Cornerstone Inspection & Thermal and then into Cornerstone Industries. The company's modern-day achievements are built upon a proud legacy full of innovation, exceptional service and strong relationships. We are proud of our history and the companies that paved the path to creating a unified Cornerstone that provides the best services and products in the industry. We are a woman-owned company, employee and family focused as we strive to understand our customer business needs.
